The record needed to answer your inquiry is not in our files. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed. The fire destroyed the major portion of records of Army military personnel for the period 1912 through 1959, and records of Air Force personnel with surnames Hubbard through Z for the period 1947 through 1963. However, complete records cannot be reconstructed.

We are pleased to verify entitlement to the following awards:

GOOD CONDUCT MEDAL;
ASIATIC-PACIFIC CAMPAIGN MEDAL with 1 bronze service star;
WORLD WAR II VICTORY MEDAL;
HONORABLE SERVICE LAPEL BUTTON WWII;

Your Award Request Number is A61B89095G03.

While NPRC verifies entitlement to awards, the Department of the Army maintains jurisdiction for issuing the actual awards. The awards will be shipped directly to you from the U.S. Army Soldier and Biological Chemical Command at the address shown below. Any further correspondence concerning your request should be sent to that location. They are currently processing requests received in August 2002.
