Hello Mom

I received your letters today & yesterday. It was all back mail. It sure is coming in fast. Well I don't know when I will get that I miss box for it has the old address & it takes longer to get here.

I got a letter from Cheryl dated Sept 15. He said that he was going overseas so maybe he will come over here & I may get to see him.

Well mom the ~~late~~ weather here in Germany is getting bad it snowed yesterday & today it is a little cold.

Mom don't worry about me over here & as for the women I don't even talk to them. I still think about the girls back home.

So work at the school good for him & he caused it to rain on you on wash day eh. You better be good on that bowling or they will make you water boy. (H.A.H.A.)

Well my hair is starting to come in now & no more D.I. haircuts for me. I was growing a mustach but I shaved it off for it was too much trouble.

Well Mom I will close now hoping this letter finds you in the best of health & don't worry for I am well so untill then S. long.

Love,  
Your Son  
Gene
