Dearit Mam Dad & Sir.

Nothing special to write about, but
just want to let you know, Sir in the
best of health, and hoping this letter finds
you all the same.

Well folks how's everything in
good old Pittsburgh, I guess things
are about the same as it is over
here.

We took a few pictures the other
day, if their good I'll send them home.
It ~~was~~ was a little foggy ~~we~~ should
I say cloudy we have no fog over here.
We took some very good scenic pictures
I hope they come out good. I wish
I could get a camera and film, see
what you can do Mam.

Hee Mam, am I getting a good suntan if it keeps up I'll be so black I'll look like a negro. Ha. Ha.

Mam. I am going to request a battle you can put any thing you like in it, but I hope its' the right thing. I am looking forward to more boxes and mail. We haunt mail call every day, and are so disaffointed when letters don't arrive. I guess the same why you get when I don't write. you are probably surprised to received this letter are you not?

Well Mam that's all I can think of so will close hoping to hear and see you all soon.
 May God Bless you all
 Yours Loving Son
 Eddie
